### OFFICE MEMORANDUM

It is observed that in most of the empanelled HCOs, specialists do not put signature and rubber stamp on the prescription slip during consultation, due to which CGHS beneficiaries suffer a lot of problems in seeking endorsement of the advised procedures / investigations & procurement of medicines from CMO I/Cs of CGHS WCs.

Therefore, you are directed to issue instructions to all specialists / doctors working in your hospital that they must put their Stamp with name, speciality & MCI/DMC/RMC Registration No. below their signature on the prescription slips of CGHS beneficiaries to enable them to get endorsement of the advised procedure/investigation & procurement of medicines from CMO I/Cs of CGHS WCs easily and to make referral system hasslefree as per Ministry's OM Z.15025/117/2017/DIR/CGHS dated 15.01.2018.
